Police Licensed Security Agent SA02700

24hr-Security.com - B.N. 09746134 - ABN 72 456 943 030 **1300 244 700**

Hello and welcome to the 24hr-security web site

Hopefully during your visit you will become more aware of your own security environment.

Your security in today's world is an important facet of daily living, by taking away any fear or just protecting assets, we will help you change feelings of insecurity to a feeling of peace of mind and allowing your home and workplace to be what they should be. A secure environment for you to be who you are. YOU.

"We attribute more of our success to the integrity of our team and commitment to security. We cannot stress the importance of honest answers to our clients questions.

Our customers are the most evidence of our commitment to total satisfaction. At 24hr-security.com, our reputation is staked on the honesty, integrity and dedication of every team member to do the job you want. We all work hard to make your life more secure "

Thank you,
Mark Deaville
and
The 24hr-security.com Team.

A collage of various Telexcom security equipment. At the top is a white dome camera. Below it are several control panels and keypads. One keypad has a green display showing 'Armed'. Another keypad has a green display showing 'Telexcom LTD'. The background is a blue and green abstract pattern.
